

Macon Clay Summer Camps include instruction, materials, firing & glazing. All Covid protocols will be followed.

Current schedule can be found at maconclay.com, facebook ([maconclay](https://www.facebook.com/maconclay)) or call 478.731.1376.

All camps run Monday – Friday 9am–12pm
Ages: 6 & up • Price: \$250

WEEK 1: June 7 - 11 Family Portrait in Clay

This past year we relied on the companionship of our closest family members. With fresh familiarity, create likenesses of our inner selves, our family unit & even our pets.

WEEK 2: June 14 - 18 Clay in the Kitchen

Satisfy your senses while making your favorite meals, snacks & deserts – using the squishiness of clay to simulate food prep. PLUS create a set of kitchenware for serving your REAL food.

WEEK 3: June 21 - 25 Architectural Art

Hand-build some of the most iconic structures in the world & learn about the historical significance of each. Who said the Rome Colosseum couldn't be built in a day?

WEEK 4: July 12 -16 Under the Sea

Create a large-scale coral reef teeming with ocean life. Add fish, octopus, sea turtle, seahorse, sea urchin, jellyfish & more to your reef. Finish with vibrant colored glazes & melted glass.

WEEK 5: July 19 - 23 Mushroom Mania

Mushrooms & Macon hold a strong connection thanks to our rich Allman Brothers heritage. With so many varieties out there, we will learn about & recreate them in clay, including a mushroom birdbath for your garden.

WEEK 6: July 26 - July 30 Modern Masterpieces

Be inspired by some of the most recognizable & influential modern sculptors of the 21st century. Then use shape & texture to create unique modern sculptures with a nod to the artists' work.
